

## Artesia and Micron Ground Storage Tank Rehabilitation

This project will include two steel ground storage tanks (GSTs): Artesia and Micron. These tanks are located on SAWS facilities at:

Artesia (5.0 MG GST): 703 AT&T Center Parkway, San Antonio, TX 78219

Micron (5.0 MG GST): 7203 Micron Drive, San Antonio, TX 78251

This project will consist of the rehabilitation and recoating of the existing ground storage tanks (GST) and above ground piping at the site. The Artesia Tank will include the installation of a new aluminum geodesic dome.

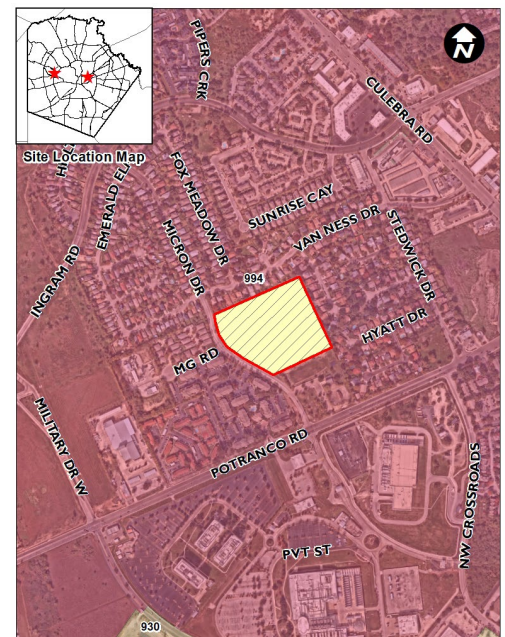

The purpose of this project is to properly maintain the equipment at this location for ongoing reliable operation and to prolong the life of the tanks.

### When Work Will Occur:

- Construction award is planned for September 2024.
- Estimated construction duration is 360 days.

### What to Expect:

- Construction of this project will occur within SAWS property.
- During the construction of this project lane closure may happen adjacent to the project site.
