

East Side Operations Center Fuel Facility Project

This project will occur at the SAWS East Side Operations Center at 3930 E. Houston St., San Antonio, 78220.

This project will consist of the construction of a new fueling facility, demolition of the old fueling facility, pavement restoration, as well as backup generator upgrades.

The purpose of this project is to improve daily operations and upgrade existing infrastructure at the SAWS East Side Operations Center.

When Work Will Occur:

- Construction award is planned for September 2024.
- Estimated construction duration is 550 days.

What to Expect:

- Construction of this project will occur within SAWS property.
- During the construction of this project lane closure may happen adjacent to the project site.
