**ADDENDUM 1
September 18, 2019**

To Respondent of Record:

This addendum, applicable to work referenced above, is an amendment to the specifications and as such will be a part of and included in the Contract Documents. Acknowledge receipt of this addendum by entering the Addendum number and issue date on the space provided in submitted copies of the Respondent Questionnaire.

RESPONSES TO QUESTIONS

1. **Question:** Is it anticipated that a City of San Antonio – Phase I Cultural Resource Survey will be required for the design phase of this project?

Response: SAWS anticipates that Phase I Cultural Resource Survey is not required for this project. Therefore, Phase I Cultural Resource Survey should not be included as a scope item part of the Basic Services. Should the need for Phase I Cultural Resource Survey arise, SAWS will work with the consultant to address as needed.

2. **Question:** Will federal funding be used for this project?

Response: Currently, SAWS does not anticipate obtaining federal funds for this project.

3. **Question:** If federal funding is used, will the design team be responsible for Section 106 Historic Preservation requirements?

Response: See Response to Question #2 part of this Addendum.

4. **Question:** Is there any archeological services in this project?

Response: Yes, archeological services are required for this project. The RFQ discusses the requirements of the archeological services.

5. **Question:** Regarding similar project experience, is SAWS looking at projects with completed design or completed construction?

*Response: Requirements of 'Similar Projects and Past Performance' section have been updated in the RFQ. The second sentence of the 'Similar Projects and Past Performance' form (page 29 of 87) should read, "Identify five (5) relevant projects, of similar size, scope and complexity to the projects identified within this RFQ that have been **constructed** within the past **ten (10)** years."*

CHANGES TO THE REQUEST FOR QUALIFICATIONS

1. The first sentence of the 'Description' column of the Similar Projects and Past Performance (page 24 of 87) of the RFQ should read the following:

Complete the table provided within the Evaluation Criteria forms identify five (5) relevant projects, of similar size, scope and complexity to the projects identified within this RFQ that have been **constructed** within the past **ten (10)** years.

2. The second sentence of the 'Similar Projects and Past Performance' form (page 29 of 87) of the RFQ should read, "Identify five (5) relevant projects, of similar size, scope and complexity to the projects identified within this RFQ that have been **constructed** within the past **ten (10)** years."

CLARIFICATIONS

Estimated construction cost for this project is \$8.5 million.
