

2024 Concrete Ground Storage Tank Painting and Rehabilitation Project

This project will include three concrete ground storage tanks (GSTs): Anderson No. 2, Broadview, and Wayland. These tanks are located on SAWS facilities at:

Anderson No. 2 (7.5 MG Concrete GST): 5025 W Loop 1604 N, San Antonio, TX 78253

Broadview (4.5 MG Concrete GST): 4027 Willowbrook Dr, San Antonio, TX 78228

Wayland (5.0 MG Concrete GST): 5994 Randolph Blvd, San Antonio, TX, 78233

This project will consist of the rehabilitation and recoating of the existing concrete ground storage tanks (GST) and miscellaneous piping at the site.

The purpose of this project is to properly maintain the equipment at this location for ongoing reliable operation and to prolong the life of the tanks.

When Work Will Occur:

- Construction award is planned for July 2024.
- Estimated construction duration is 435 days.

What to Expect:

- Construction of this project will occur within SAWS property.
- During the construction of this project lane closure may happen adjacent to the project site.
