

Primrose Oaks South Water Main Replacement Project

SAWS construction on this project will install approximately 2.3 miles of new 8-inch and 12-inch PVC water lines replacing existing 2-inch, 3-inch, and 4-inch water lines along Post Oak Road, Oak South Road, Bluewind Lane, Sundown Lane, Deer Run Lane, and Autumn Lane in SAWS service area in Atascosa County. The project will also install a new water main down Texas Hwy 16 and Hickory Drive to reroute services.

When Will Work Occur?

Construction is planned to start in the third quarter of 2023. Estimated construction duration is 16 months.

What to Expect

- ✓ Construction on this project will affect traffic on the residential streets shown in the map below.
- ✓ Installation and replacement of water mains, fire hydrants, water valves, services, and meter boxes.
- ✓ Design for the project was done by Weston Solutions, Inc.
- ✓ Water services will be relocated to enter from Paved Right-Of-Way.
- ✓ The estimated construction cost is \$5.8 million.
