RE: Non-Sampling Notification for Reclaimed Type I
TPDES Permit No. WQ0010137003
EPA ID No. TX0052639

Dear Ms. Garza,

The above-referenced permit number requires that two (2) individual grab samples must be collected weekly for the analysis of E. Coli. On the second week of August, only one (1) grab sample was collected for E. Coli. This event did not affect our monthly average.

We apologize for the oversight and should you need further discussion regarding this event, please do not hesitate to call me at 210-233-3922.

Sincerely,
