

To access the SAWS Customer Center:

From northbound U.S. 281:

Take the St. Mary's St. / Mulberry Ave. exit. Continue on the access road through two traffic lights, crossing St. Mary's and Mulberry. After crossing Mulberry, the SAWS Customer Center is the third office building on the right. Turn right into the final driveway before the access road crosses over U.S. 281. The parking lot and main entrance are located on the north side of the building.

From southbound U.S. 281:

Take the Mulberry Ave. / St. Mary's St. exit. Before crossing Mulberry take the turnaround under U.S. 281. Traveling northbound on the access road, the SAWS Customer Center is the third office building on the right. Turn right into the final driveway before the access road crosses over U.S. 281. The parking lot and main entrance are located on the north side of the building.
